GOVERNMENT'S MOTION TO UNSEAL INDICTMENT FOR A LIMITED PURPOSE

The United States of America hereby moves this Court to direct that the above-referenced indictment be unsealed for the limited purpose of providing a copy to the defendant James E. Levin and his attorney for an initial appearance and arraignment on the indictment.

In support of this motion, the government states that the co-defendant has not yet been arrested, and unsealing of the indictment on the docket could jeopardize apprehension of the co-defendant. In order to protect such information from dissemination, the government moves to unseal the indictment only for the limited purpose of providing the indictment to the defendant Levin and his attorney for an initial appearance and arraignment.

Respectfully submitted,
CARMEN M. ORTIZ
United States Attorney
